TERMS

Usual terms to purchasers of approved credit.

Prices apply F. O. B. Freight or Express Offices at Jeffersontown or Louisville, Ky., and are subject to change without notice.

Packing will be charged at cost.

LIABILITY

We are not liable for injury to stock from frost, hail, fire or other causes beyond our control. Plants become your property on delivery to transportation company and we are not responsible for loss, damage or delay in transit.

SPECIMEN EVERGREENS

Evergreens of proper size herein are real specimen plants, frequently transplanted with room for development. They are grown in a fertile, clay-loam soil and can be lifted with solid, medium-size balls. Due to a changeable, exacting climate, the winters of alternate zero and thawing temperatures, most Evergreens hardy in this section will survive without ill effect the more rigorous winter weather of the northern states.

Inspection is invited.
